

# CLIENT REFERRAL SCHEME

How would you like £250 in Love2Shop Vouchers or a £350 Meon Holiday Voucher?

Meon is pleased to introduce the client referral scheme. After all, if you're happy with our services why wouldn't you recommend us to a company you're already doing business with, or maybe it's a friend who is struggling to get the same great service you do?

For every introduction to a new client that results in a positive sales meeting, you will receive a **£50** voucher for either Love2Shop or Meon Holidays; then a further **£200** Love2Shop voucher or **£300** Meon Holiday voucher, once that new client trades to £1,000 fee income.
